PESTS IN THE PIPES

There are pests in the plumbing and everyone's favorite plumber has arrived to flush them out. Turtles, Crabs, Fighter Flies, Fireballs, and Freezies are mucking up the pipes and Mario must get rid of them by bumping them from below and stunning them. Once stunned, push them off the ledge and out of the picture. Run fast, jump high and outsmart the enemies in the arcade classic Mario Bros.

Game Boy® Advance and e-Reader sold separately.
